Many Notables To Make Visit To America

most engaging month of all the year, and the chances are that this year it will be a month of momentous events so far as Washington is concerned. In the first place the return of the President and Mrs. Wilson within the next four weeks is more or less officially promised although I did hear a Senator state the other day that Congress didn't expect the President back before mid-August. And then we are due for a visit from Dr. Epitacio Pessoa. President-elect of Brazil, who expects to visit the United States on his way home from Paris, where he has been representing his country at

The distinguished Brazilian statesmen is coming as the guest of the Government, an claborate program entertainment is being arranged in his honor and this should give us a foretaste of what we may expect when the rulers of the sovereign states of Europe begin returning President Wilson's visits. It's not beyond the bounds of possibility that the King and Queen of England, the King and Queen of Italy, the King and Queen of Belgium, and the President of France and Mme. Poincare may find their way to Washington before the next eighteen months are up-and then watch out for history making.
